GENERAL INFORMATION

SHOOT MANAGEMENT reserves the right to refuse any entry or cause the withdrawal of any contestant who annoys, endangers, or interferes in any way with the harmony of the shoot. Management also reserves the right to alter or cancel parts of the program if conditions warrant. Any such changes will be posted near the scoreboard.

Event Classes

All events will included classes AA, A, B, C, D. The 12GA event will include E class. High-Overall Championship will include AA, A, B, C, D (D & E classes will be combined).

Are you willing to referee?

NSSA Licensed *or qualified* non-shooting and shooting referees will be paid $8 per shooter. Shooters who are qualified referees are asked to consider refereeing after they shoot. **Please contact the Chief Referee if you are willing to assist. Nick Schmitz - nickaschmitz@gmail.com**

Rules and format

This shoot is registered with the National Skeet Shooting Association (NSSA) and will follow current NSSA rules and regulations. ALL ENTRANTS must be NSSA members to participate. Shooters that have not yet enrolled are encouraged to do so online prior to the event at https://mynssa.nssa-nsca.org/membership/enroll-renew-membership/. Complimentary Limited Memberships (CLM) are available to shooters that have not been members of NSSA for at least 3 years and can be claimed at the URL provided above.

Chief Referee: Nick Schmitz Protest Committee: John Snyder, Allesandro Vitalle, Bud Hitchcock

Participants will not be allowed in the trap houses except by permission of the Referee. **Shooters are expected to load both Houses before leaving the field**. Squads are allotted 90 minutes to finish shooting 100 targets (barring trap problems or weather delays). Squads that cannot finish in that amount of time will be moved to the Practice Field (#2) to finish shooting so as to not delay the next squad.

RELOADED SHELLS are permitted, subject to inspection if challenged. Participants are allowed (encouraged!) to pick up spent hulls on the fields following the conclusion of shooting each day.

Pets and children must be under the control of a parent or guardian at all times. CONTESTANTS and SPECTATORS assume all risks of accident or loss of equipment.

Shoot offs

Ties for gun event CH/RU/3rd, Class 1st - 5th, Concurrent CH/RU/3rd and HOA/HAA CH/RU/3rd will be shot-off after the last event of the day, using Doubles rules at Stations 3, 4, 5 miss and out by station. Shooters are to provide their own shoot-off and proof shells. Shoot management reserves the right to long run any tie that cannot be shot off due to any circumstance.

Weather cancellations or delays

If significant weather threatens prior to the day of the shoot, a decision as to whether to cancel or not will be made and distributed to all pre-registered shooters by email by 11pm Friday night prior to the shoot. Information will also be posted on the Club and VSSA websites.

About the Fairfax Rod and Gun Club

The Fairfax Rod and Gun Club (host facility) is a private club that welcomes registered shooters and their cheerleaders *but*, if you are not club members, you must be escorted by a member if you wish to see any part of the facility beyond the gate to the lower ranges (even if that gate is open).

During the open events, all shooters are allowed and encouraged to visit the clubhouse which includes the restrooms, pro shop and cafe. If you wish to see the rest of the facility, please stop by the shoot management desk and we can arrange a tour. We are all very proud of our club and usually make time for anyone interested in seeing what it has to offer but please be respectful of the rules while you attend this event.

On-site amenities

The clubhouse is open to all registered shooters and their cheerleaders and includes restrooms. Food and beverages can be purchased at Kelli's Kitchen (cafe) during operating hours. Be sure to visit Civilian Arms, the onsite pro shop and supplies merchant. *Please do not wander beyond the clubhouse and shotgun fields unless escorted by a club member.*

Complimentary Lunch

Saturday and Sunday will feature a complimentary lunch for shooter and referees with hamburgers, hotdogs, chips, and drinks available at the Marcum Pavilion. Shooters are requested to RSVP for this in your registration so that we can get an accurate head count.

Camping

Limited camping spots are available for reservation during the shoot. 30-amp and water hookups are available. Dump station is also available, but no water flush. Camping cost is **$15.00/per night** and available starting Thursday 12pm the weekend of the shoot. For camping reservations please email **Jamie Martin** with your Camper/RV size at **JDMARTIN71@gmail.com.** Bull Run Regional Park is also a good option, located within 25 minutes of the club. Reservations can be made at https://www.novaparks.com/parks/bull-run-regional-park
